GENERAL INFORMATION

APPLICATIONS FOR TELEPHONE SERVICE

Applications for service, rates, changes in service, directory listings, directory advertising or other information, may be made by telephone, by mail, or in person to the Company's Business Office.

ACCOUNTS FOR SERVICE

Accounts are rendered monthly and are payable when rendered. Each subscriber's account shows charges for exchange service for one month in advance of the date of the account, and Long Distance and Directory Advertising charges, if any, for the month previous. For the convenience of our subscribers these accounts may be paid at any of the branch banks of the Royal Bank of Canada.

SERVICE DIFFICULTIES

Our aim is to render service that will be satisfactory to our customers. We do not, at the outset, welcome disputes, but our efforts to avoid them, if at any time unsatisfactory service is not promptly corrected or unsatisfactory conditions persist, we will appreciate your communicating the facts to the Manager.

IDENTIFICATION OF EMPLOYEES

All employees of the Company, when dealing with subscribers upon the premises of subscribers or others, are required to identify themselves by the production, if requested, of a badge containing a photographic reproduction of such employee's face. Any person claiming to be an employee of the Company who refuses to exhibit such badge should be refused admission, and the Manager should be notified at once by telephone.

INTERFERENCE WITH APPARATUS

A Subscriber is not allowed to remove or otherwise interfere with the wires, connections or parts of any telephone apparatus leased from the Company, or make attachments thereto.

DIRECTORIES

Please check your listing and if it is incorrect in any way call the Business Office at once.

The Telephone Company assumes no liability on account of errors in or omissions from the directories. Telephone directories are and remain the property of the Company. They are printed for the exclusive use of the Company's patrons and are loaned to its subscribers. All persons are cautioned against reproducing their contents.

Subscribers must not use any binder, holder, or other attachments, except as provided by the Company.

RURAL PARTY LINE INSTRUCTIONS

Always listen before ringing, to ascertain if the line is in use and thus avoid interrupting a conversation that may be in progress.

Before calling a subscriber on your line make sure of his number by consulting the directory, then ring, being careful to make the signal distinct. The signal to give is as indicated by the number following the letter "r". The first figure following the letter "r" represents the number of long rings, and the second figure, the number of short rings. For example, to call r-2-1, give two long followed by four short rings. Do not press the push-button on your instrument when calling a subscriber on your line.

To call a subscriber on another line, signal the operator and give her the number. To signal the operator, press push-button while ringing.

When conversation is finished, replace receiver and give one quick ring off. Do not press push-button while ringing off.

Conversation should not exceed five minutes' duration. Bear in mind that while you are using the line other subscribers are unable to do so.

PUBLIC NOTICE

This Company's tariffs are open to public inspection. The Exchange Tariff may be seen on application to the Manager at the Company's Central Office. Long Distance Toll Tariffs may be seen on application at the Head Office of the Company, in the City of Montreal, Que., or to the Company's Manager at the toll centre of any locality, the name of which toll centre will be furnished by the Manager of the Local Exchange.

The following are the toll centres for the district covered by this directory —

* In calling these points it is not necessary to ask for "Long Distance." Just give the local operator the name of the distant town and the telephone number and hold the line while connection is established.

The 10c rate is for a five minute talk; all others three minutes.

"Anyone" calls on which the rate is 25 cents or more may be made collect without additional cost

"ANYONE" (STATION-TO-STATION) CALLS

—where you will speak to anyone within reach at the distant telephone. This type of call is quickest and cheapest. Reduced rates are effective from 7.00 p.m. to 8.30 p. m. and further reductions from 8.30 p. m. until 4.30 a.m., except to nearby points.

PERSON-TO-PERSON CALLS

—where you specify that a particular person is desired.

Because of the greater service given in summoning a specified person to the telephone, this type of call takes a higher rate. In the event of the call not being completed a small charge for reports is made.

There are no reductions on Person-to-Person calls during the evening or night hours.

On Appointment calls the operator makes the appointment with the distant party, the rate being the same as on Person-to-Person calls.

On Messenger calls the messenger charge is added to the Person-to-Person rate.

Everyone is eager to answer Long Distance

Why not call your far-away friends—by telephone?

The happiness of hearing your voice—what could be more delightful to the folks at home . . to your intimate friends, wherever they are?

SWIFT..as speech

Dear ones who have moved to other cities, children away at school, out-of-town acquaintances . . . . you can bring them all closer to you *by telephone.* More and more, women at home are using the telephone to keep in close touch with their ever-widening circle of family and friends. They have discovered that telephoning to *distant* places is as quick as calling a local number.

Out-of-town telephoning costs less than most people think. For example the station-to-station day rate to a point 60 miles away is 45 cents. During the evening period (7.00 p.m. to 8.30 p.m.) the rate is 35 cents; night period (8.30 p.m. to 4.30 a.m.,) 25 cents.
